SPOTTING FEELINGS ONLINE

Just like in real life, people show their feelings online. Watch this video to learn about different ways to spot feelings online.

TIP: Ask for help from an adult as you work!

Words to Know:

- Online: the internet or other computer network.
- Emojis: small digital image or icon used to express an idea, emotion, etc.
- Punctuation marks
- Social media:

Do this next:

- Ask an adult to help you download and print off the next page.
- For the next few days, see if you can spot feelings when you're on the computer, tablet, phone, or other online places.
- When you see feelings, write them down or draw them.
- Talk to a grown up about all the clues you found.
- Have fun!
